

Impact Report 2023

Keeping
more
families
close ❤️

LETTER FROM LEADERSHIP

Receiving a serious diagnosis is an overwhelming experience for many families, but they do not have to face the challenge alone. Because of our generous and caring community, every family who walks through our doors is welcomed with warmth and compassion while finding the support they need. Love shared by volunteers, friendships forged with families facing similar challenges, and gracious encouragement from our community makes all the difference.

As we watch the daily progress of construction on the new Ronald McDonald House, we reflect on how far we have come as an organization over 40 years ago. One thing that has remained through this period of transformation has been our steadfast commitment to caring for families.

Through your support, we embraced 2,544 families facing medical challenges. Our reach expanded across borders, comforting visitors from 15 countries, 27 states, and 35 Ohio counties.

As we approach the completion of the new Ronald McDonald House and expand from 14 to 42 rooms, we are excited to provide holistic, wraparound care services to even more families. In 2023, we turned away 76% of the families

requesting our services. With the new Ronald McDonald House, the possibilities are endless as we expand our array of resources, ensuring that we can meet the diverse needs of our community and keep more families close to their child's medical care.

Of course, all our work would not have been possible without the generous support of donors like you, who have helped to sustain our programs. On behalf of each family who stayed at the Ronald McDonald House or benefitted from our programs, we sincerely thank you for supporting our community of care.

Our sincere gratitude goes out to all the supporters, volunteers, and partners who stand by our side as we strive to live our mission by providing community, comfort, and hope to families of seriously ill children. By working together, we are transforming the lives of the families we serve. As we set our sights on the future, we invite you to join us on a path of compassion, growth, and service as we embrace the journey ahead.

Sincerely,

Rita Cyr, CEO, RMHC Dayton Mariah Vogelgesang, 2023 Board Chair, RMHC Dayton

OUR MISSION

Our mission is to provide community, comfort, and hope to families of seriously ill children.

OUR VISION

Our vision is to provide an open door to every family seeking our services.

KEEPING MORE FAMILIES CLOSE

2023 saw enormous progress in the construction of our new Ronald McDonald House. This expansion will triple the number of rooms that we currently have available, allowing us to provide even more nights of comfort for families that need it. Thanks to generous contributions and support from our community, we met our funding goal to complete the third floor, giving us a total of 42 guest rooms.

Our anticipated move-in date is Fall 2024 with the opening of 21 guest rooms and staff offices. The remaining 21 guest rooms will open in November, and full completion of the project is set for year-end 2024.

Funding opportunities are still available to fully complete the project. The support we have received over the past year is nothing short of remarkable. It is with sincere gratitude that we thank those who strengthened our efforts to meet the growing demand for our services. As a result of your contributions, this expansion has become a reality, making it possible to care for more families when they need it most.

VOLUNTEERS

Thanks to our caring volunteers, RMHC Dayton makes a difference in the lives of the families who call our House and Family Rooms home during a challenging period in their lives.

- 2,036 Volunteers
- 425 Volunteer Groups
- 285 Volunteer Meals Provided
- 57 Event Volunteers
- \$95,748 Saved in Labor Costs
